

# PRESCRIBED FIRE

The North Atlantic Fire Science Exchange (NAFSE) shares fire science information and helps build capacity with respect to prescribed fire in a number of ways.

---

Supported the 2022 and 2025 offerings of the Maine Prescribed Fire Training Exchange (Trex).

Assist with the development of the Northeast-Midwest Prescribed Fire Science and Management Workshop.

Hosted, in conjunction with the New Jersey Forest Fire Service, the New Jersey Fire Camp.
